Continuation of 2. NOTE: Applicant amended claims independent claims 1, 27, 31 to introduce the limitation of "the representative content of a placeholder being replaceable in a presentation mode by content generated based on the content source bound to the placeholder, the generated content being presented in the presentation mode according to the formatting information associated with the corresponding representive content" which requires further search and consideration. Further, applicant's arguments regarding the art rejections of all claims have been carefully considered. The Office believes that the Office Action mailed 10/03/03 was fully responsive to applicant's arguments, and maintains the rejections set forth in that Office Action.
